Thank you for your support!

The Music Boosters were able to purchase the following, using funds raised during the 2010-11 year. Needs within the schools were made known via grant proposals.

- Arrowhead: "Music and Movement." Specialized materials and equipment for use with K-6 students.
 - Minnesauke: Bose system for a variety of listening activities for 2nd-6th grade music, as well as the choruses.
 - Nassakeag: "Global Rythm" materials and equipment for use by K-6 students.
 - Setauket: iPad for recording and storing music and videos, for use by the entire music program.
 - Ward Melville: Marching Band drill, for 9th-12th grade participants.
- * Funds have been earmarked to be used on grant proposals for Mount, Gelinias and Murphy.

Thank you to last year's members, for making the purchases possible!
