

THREE VILLAGE MUSIC BOOSTERS

2009/2010 Membership Drive

“Enhancing and supporting the music students of the Three Village Schools.”

We are a group of parents and teachers interested in supporting music educators in our district.

In 2006 we successfully petitioned the district to bring back the 4th grade music program and it is ongoing today.

We have helped all 8 schools purchase equipment, sheet music and instruments.

We have supported cultural programs including the Long Island Philharmonic Concert for our elementary students.

We award music scholarships and subsidize performance trips.

But it takes money, and it takes you!

Join today!

Membership starts at \$10.00

(you can give more if you like – we’re a non-profit, so it’s tax deductible)

Monthly meetings to be announced

Questions? Visit our website at www.musicboosters.org or contact Donna Haberman and Sheri Ford at info@musicboosters.org
